

PROGRAM LEVEL	NRP INSTRUCTOR PROGRAM
TARGET AUDIENCE	This 2-day program is intended for expert-level practitioners who are supported by their institution and wish to develop teaching skills in neonatal resuscitation.
DESCRIPTION	<p>Day 1: Review of the principles of adult learning and development of content included in a Provider course, including Performance Skills Stations, Integrated Skills Stations and scenarios for evaluation and debriefing.</p> <p>Day 2: Building upon Day 1, candidates will have opportunities to hone their newly acquired skills. Return demonstrations, simulation, debriefing and feedback will be the focus of the learning. Finally, discussion of the roles and responsibilities of NRP Instructors and logistics of running courses will be discussed.</p> <p><u>PREREQUISITES:</u></p> <p>Instructor candidates must have at least 2 years relevant clinical experience, and:</p> <ul style="list-style-type: none"> • Proof of current CPS PROVIDER status [Lessons 1-9; Advanced Megacode] (i.e. CPS NRP Provider card) • In-depth knowledge of and clinical expertise related to newborn care and resuscitation, • Current and ongoing related clinical practice • A letter of support from the candidate’s sponsoring facility/organization <p>The 6th edition <i>Textbook of Neonatal Resuscitation</i> (2011) and <i>Neonatal Resuscitation Instructor Manual</i> (2011) <u>must be reviewed prior to the workshop.</u> The Instructor Manual is a <u>mandatory resource and pre-reading</u>. It is available for purchase through CMNRP or CPS https://bookstore.cps.ca/</p>
OBJECTIVES	<ul style="list-style-type: none"> • Demonstrate awareness of adult learning principles & strategies to facilitate learning • Develop practice scenarios and demonstrate ability to evaluate and provide feedback to learners • Demonstrate knowledge of principles of simulation based learning and debriefing • Describe the roles and responsibilities of a hospital-based Instructor • Describe the role of the Canadian Paediatric Society (CPS) in supporting NRP in Canada •
PREPARATION/ HANDOUTS	<p>The 6th edition <i>Textbook of Neonatal Resuscitation</i> (2011) and <i>Neonatal Resuscitation Instructor Manual</i> (2011) <u>must be reviewed prior to the workshop.</u> The Instructor Manual is a <u>mandatory resource and pre-reading</u>. It is available for purchase at https://bookstore.cps.ca/</p> <p>Instructor candidates must complete the online examination within 30 days of the Instructor workshop (if not completed within 12 months of the course) and submit the ‘Online Examination Verification’ 2 working days prior to the workshop.</p>

EVALUATION	<p>Participants will translate the prereading material into practice and develop content, facilitate skill acquisition and evaluate learners in the required components of a Provider workshop including Performance Skills Stations, Integrated Skills Station and Simulation and Debriefing.</p> <p>Instructor candidates must successfully complete a 'team teach' with an Instructor Trainer [IT] or Delegate before they can be registered with CPS. Candidates will be offered the opportunity to participate in a 'team teach' exercise on Day 2 of the workshop. Opportunities for additional 'team teach' sessions will be addressed following the workshop.</p> <p>After successful completion of all components, participants must pay to register with CPS.</p>
NOTES	<p>Attendance at the workshop does not imply successful completion and the ability to register with CPS.</p> <p>For more information contact:</p> <p>Debbie Aylward (613-737-2660 x3245 or daylward@cmnrp.ca) or Lauren Rivard (613-549-6666 x 4960 or larivard@cmnrp.ca)</p>
